LUGGAGE RESTRICTIONS FOR INTERNATIONAL TOURS

Here is a guideline to assist you in packing. Remember to keep your luggage as light as possible and easy to handle. Porters (when portage is included) are prepaid at all the hotels to carry one (1) suitcase per person. Take one (1) wheeled suitcase to check plus one (1) small piece of hand luggage easy to carry; usually a carry on without wheels is better, because the bag must be small enough for you to carry by yourself as you enter the motor coach, and either fit under the motor coach seat or in the **SMALL** overhead rack. These restrictions are for the motor coach tour portion of your trip – not the airline. Please check the airline's web site for their current baggage regulations.

Hand Luggage

Limit hand luggage to one travel bag not exceeding 17"X14"X8", so that it can easily fit under the seat of various means of transport.

Wheeled carry-on cases are not suitable as hand luggage for motor coach travel for safety and space reasons.

**THIS RESTRICTION IS
STRICTLY ENFORCED
DURING MOTOR COACH
TOURS IN EUROPE WHERE
MOTOR COACHES ONLY
HAVE ROOM IN THEIR
LUGGAGE BAYS FOR
ONE (1) LARGE PIECE OF
LUGGAGE PER PERSON!**

Checked Luggage

Please make sure that your checked suitcase weighs **50** lbs. or less and is no larger than 30"X21"X11" (**62** linear inches).

For your enjoyment, travel as light as possible! Of course, wheeled suitcases are recommended for checked baggage.

Leave room in your suitcase for souvenirs. Expandable bags are highly recommended!
